Section 1: Background of the funding

Working with the Association of Dogs and Cats Homes (ADCH), Battersea aims to improve the standards of animal welfare across the rescue and rehoming sector. We also want to help educate the wider public on animal welfare issues, responsible ownership as well as the joy, comfort and wellbeing, dogs and cats bring to all our lives.

The Grants Committee will consider all applications that fall within the guidelines. However, the Committee is primarily interested in applications which will enable an organisation to meet one or more requirements of the ADCH Minimum Standards.

Section 2: Aims of the Programme

This Programme has been designed specifically for ADCH members who have completed the Assessment process and are continuing to work towards attaining the **Minimum Standards** within the current calendar year.

What we **WILL** consider funding:

Essential equipment, small capital development, training etc.

We **WILL NOT** fund

Any veterinary cost, general running costs (rent, utilities, existing head count salaries)

Section 3: Who can apply

ADCH members (and prospective members), who have completed the Assessment process and are continuing to work towards attaining the **Minimum Standards** within the current calendar year can apply for a small grant of up to £5,000.

If you wish to review the Minimum Standards you can view them [here](#)

Alternatively, if you would like a printed version please email grants@battersea.org.uk

Section 4: How much is available

We hope to make at least 6 awards from a total grant fund of £30,000.

Section 5: Funding Stipulations & General Guidelines

- Only one application per organisation can be considered each calendar year.
- **Please note we CANNOT fund retrospectively – i.e. we cannot cover the cost of items already purchased or projects already completed.**
- Funded activity must be completed within three months of the Grant being awarded (date on signed Grant Agreement). Failure to comply will mean we will request the full grant to be repaid, (unless the applicant has spoken to the Grants Manager as soon as a delay to spending the funds becomes apparent.)

- Please ensure you complete all sections of the Application Form and send in requested information. Failure to do this will result in an incomplete application which will not be considered by the Grants Committee.
- Please ensure that any enclosed documents / financial documents, are clearly identified with the name of the applicant's organisation.
- The Grants Committee will take into account recent financial records that indicate that you are a low financial risk.
- If the full grant is not spent the applicant must contact the Grants Manager in the first instance who will discuss the use of the remaining funds.
- Please ensure you retain and send in copy receipts for items purchased over £100.
- In the instance we have many more applications than we have funding for, priority will be given to those shelters/rescues with a gross income of below £1m.
